Perfect Attendance!

Classes will begin learning their recital dances now that the holidays are behind us. Good attendance between now and the recital are especially important. Our goal is to complete all recital choreography by Spring Break so that we have the classes after break to clean and polish everything for the final performance. It is extremely difficult to choreograph without every student present. Please try your best to attend all classes each week. If it is necessary to miss, please contact us and let us know via phone call or email.

Please notify us if your dancer will be logging into class virtually. All of our studios are equipped with the capability to Zoom each of our classes so that our dancers who are not able to attend classes in person can still dance, safely, at home.

A friendly reminder! The Family Center is thoroughly cleaned and disinfected daily. Proper hygiene is expected at all times. If you, or your child has (or may have) a questionable health concern (such as a cold, stomach bug, the flu, strep throat, pinkeye, etc.) please be responsible and DO NOT send them (or yourself) to the Family Center. We greatly appreciate your cooperation!

SDA's Winter Weather Policy

In general if the schools cancel or close early due to inclement weather, we will do the same. Safety is of importance for all of our SDA families and staff.

In the event of inclement weather, we will send an email, RoboText & RoboDial to the contact info we have on file. We will also post studio closings to our [website](#), [Facebook](#), [Twitter](#) & [Instagram](#).
